CONDITIONS OF USE – ST. NICHOLAS CHURCH CENTRE FACILITIES

The Booking Agreement for Users is made between Corfe Mullen Parochial Church Council (CMPCC) and the User. The User shall be the person making the application and will be responsible for the observance of these conditions and payment of all sums due in respect of the Agreement. Invoices will be issued once a booking has been confirmed.

Age of User – the User must be 18 years of age or over

Cancellation - One month's notice is required for all cancellations. Failure to provide a month's notice will result in you being invoiced for the session.

Car Parking - St Nicholas is an eco-Church. We would therefore ask all group leaders to encourage their members to walk, use public transport or car share when coming to the centre. There is a car park available for centre Users on a first come first served basis. CMPCC takes no responsibility for any damage caused to vehicles while using the car park. No vehicles shall be left in the car park overnight unless permission has been given in advance. Please make sure that your group members park in marked bays only and do not park in reserved spaces. The entrance to the Rectory must be kept clear at all times. If you are holding an event, please appoint car park marshals to monitor the car park.

Children - Users are responsible for the safety and behaviour of all children at each session at all times, both in the room booked, communal areas e.g., toilets and outside the building. **NO children should be left unsupervised or allowed access to the kitchen**

Cleaning - Please leave all facilities as you find them. The Utility Room in the rear corridor contains hoovers and mops. The floor sweeper for the main hall is at the rear of the main hall by the table store.

Damage, Loss or Injury - The CMPCC will not be liable for damage, loss or injury to persons or property arising from any session. The User should be insured in respect of all Third-Party risks and a copy of the Insurance Certificate must be returned with this booking form.

Dates and Payment - A deposit of 25% of the first month's rental is required for all new bookings to secure the booking. Invoices are normally issued monthly after the first month. If termly or annual invoices are required, please contact the Parish Office. Monthly invoices are sent out by the 15th of each month for the following month and payment should reach the office no later than 30 days after issue. Late payments may result in the booking being cancelled.

Electrical equipment - The CMPCC has no responsibility for any equipment brought on to the premises. All electrical equipment either personal or belonging to the Church Centre should be visually inspected prior to use to ensure there are no loose / worn cables and the equipment is fit for purpose. Please report any problem with centre equipment to the office. The User will be liable for any damage incurred through the use of electrical equipment brought on to the premises. This includes any damage to the building/sockets or electrical wiring or subsequent damage.

Fire Precautions - As a User of the facilities at the Church Centre you are responsible for the safety of all those in your Group using the premises during the period of your booking. It is a requirement of Dorset Fire Brigade and the insurer of the building that for the whole period of the booking, there are two responsible persons who will take charge in case of an emergency. Those persons must ensure that they are fully conversant with the position and operation of all firefighting equipment and fire doors.

You should note that in the event of an emergency, signalled by the ringing of the fire bells, the priority is to evacuate the building. The main exits are through the doors at the front of the building and the secondary doors are at the back. There are also fire doors from the church - by the road; alongside the lounge - at the side; and from the large hall directly to the Car Park. There is a grab bags by the front doors which contain basic first aid equipment.

The fire brigade should be contacted by calling 999 by the User or nominated responsible person.

For the purposes of checking that the evacuation is complete all persons should be instructed to assemble in marked areas in the front of the Church (if exiting at the front of the building) or in the Rectory driveway (if exiting from the rear of the building). A headcount should be done or names ticked off an attendance sheet if one exists. Once they have been recorded as out of the building people can leave the site however, the main driveway must be kept clear for emergency vehicles. If you are in doubt as to your duties, then you should raise this with a church representative

First Aid - A First Aid box is located in the kitchen. This must be returned and not removed from the premises. Any accident is to be recorded on an Accident Report Form which is located on the notice boards in the Narthex and Rear Corridors. These must be left with the Church Centre office for entry into the Accident Report Book. All groups should ensure they have appropriate First Aid cover. The nearest defibrillator can be found outside the Co-op or inside BH Live

Heating - Please do not attempt to make any alteration to the thermostats. The thermostats are pre-set centrally and controlled from the office.

Individual Use - Please do not use rooms other than those booked by you. Fire doors should not be used as entrances and exits except in the case of a fire or when advised to by the Office..

Kitchen - The kitchen has the necessary equipment to cater for events being held on the Church premises. Boiling water is available from the Still. Instructions for using the kitchen appliances are available in a folder on the shelf over the sink or on the laminated posters in the kitchen. The kitchen must be left clean and tidy at the end of your booking, all crockery put away and all rubbish removed. Please put food rubbish in the brown food bins and these should be emptied into the larger bin outside at the end of your session.

No fittings or decorations of any kind, necessitating the driving of nails or screws into fixtures forming part of the building's fabric is permitted. In event of damage to the premises or property the CMPCC shall make it good and the User shall pay the cost of such reparation. Any breakage shall be reported immediately.
