*Short term*

With our outdoor Christmas events so well received by the community what might we do to help celebrate Mothering Sunday or Easter in our community? Do you have any thoughts? If so Jane or Matt would love to hear from you.

*Longer term*

This past year has underlined for us our vision to not only grow closer towards God and each other but also to our community. As our community unlocks in the months ahead we want to be ready to explore how we can more effectively engage and to our community. 18 months ago we were unsuccessful in appointing a pioneer children and families worker. We have decided now to refocus the role as a pioneer community worker which will encompass children and families work but will not be exclusive to this. Please pray for the PCC as we begin this process.

**Giving** During lockdown you can give direct into our account via BACS our details are: Account Name: Corfe Mullen PCC, Account Number: 02328483, Sort Code 30-96-73.

Like all charities we are reliant on the generosity of those who give and in these difficult times we will be, as ever, very grateful for your generosity in supporting the ministry of our churches. To give regularly please see our website for details, information is under 'Participate'.

## Morning Worship 10am each Sunday Online, filmed at St Nicholas

Please be advised, our services are live-streamed or film recorded.

- The raised area of seating will NOT be filmed, if you do not wish to be identifiable during the service, please sit there.
- Anyone coming forward to receive communion would normally be out of shot due to the solemnity of this part of a service.
- We try not to film anyone in the congregation during a service, however the assumption is made that consent has been given for filming if you are not sat on the raised area.
