We Remembered Them

A huge thank you to everyone who made last Sunday's Remembrance Service so special, and special shout outs to Tracie for her meticulous planning in the background, the Hi Viz Team for keeping everyone moving and to everyone who joined us in church, at the War Memorial or on-line and for the generous collection of £397.22 towards the Royal British Legion's Poppy Appeal 2026.

His majesty's Deputy Lieutenant Mr. Christopher Fraser OBE was preparing a report for the palace to feedback what an amazing service and parade and how as a community we came together.

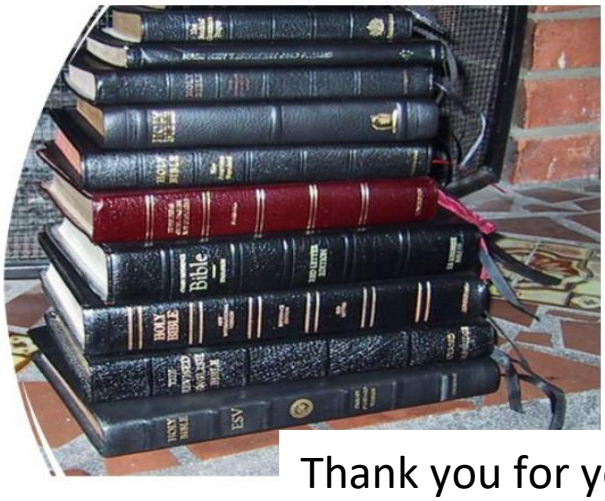

Thank you also to everyone who helped prepare our poppy display, and to Wennona for her kind donation of the camouflage net and to the RBL for providing a new wooden cross this year.

Last Wednesday, Armistice Day, at 11 there was an informal Act of Remembrance at the War Memorial with local residents, Mayor Duncan, Town Councillors, RBL members and students from Lockyer's School representing a number of uniformed organisations. The students were a credit to Corfe Mullen and their school.

Morning Worship 10am each Sunday Online, filmed at St Nicholas

Please be advised, our services are live-streamed or film recorded.

- The raised area of seating will NOT be filmed, if you do not wish to be identifiable during the service, please sit there.
- Anyone coming forward to receive communion would normally be out of shot due to the solemnity of this part of a service.
- We try not to film anyone in the congregation during a service, however the assumption is made that consent has been given for filming if you are not sat in the raised area.
